## **WILTSHIRE SEARCH AND RESCUE – DONATION**

I have just taken over as Treasurer for Wiltshire Search and Rescue and I am writing to thank you for your generous donation of £500.

The money will be used to help in the development of the team. All donations are used to fund the purchase of new equipment or the maintenance of existing equipment as well as for our regular running costs which include our control vehicle, team training and communications maintenance.

As a self funding charity we rely on the good nature of local people and groups like yours to help raise funds so that we can continue to support the other emergency services within Wiltshire and the local community.
